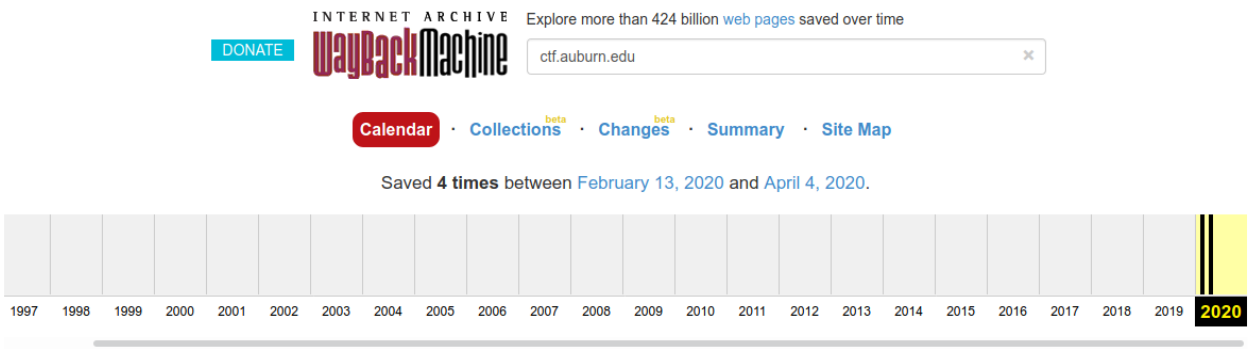
Good Old Days

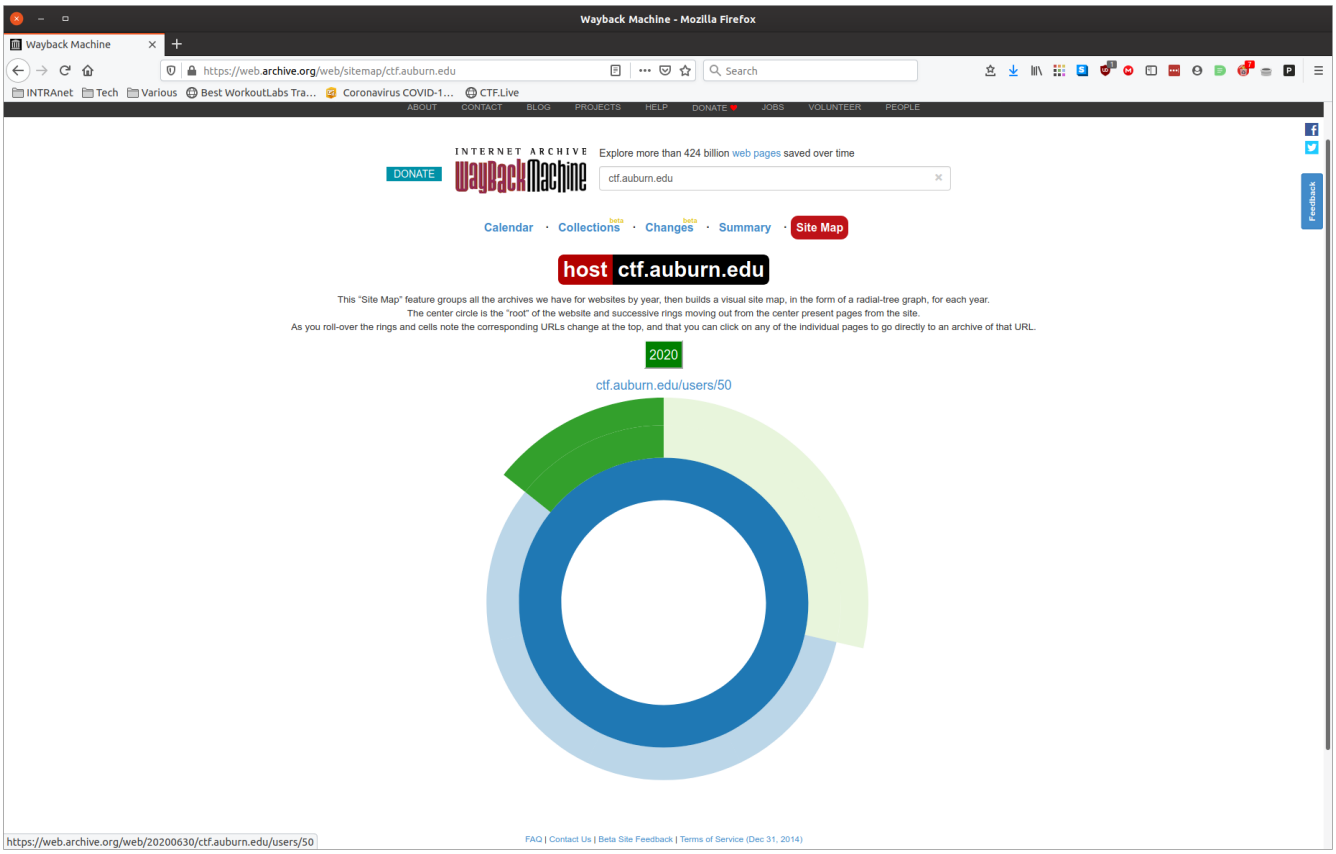
Unfortunately I didn't copy the original text from the challenge but it was about how things were much better in the old days on this web-page.

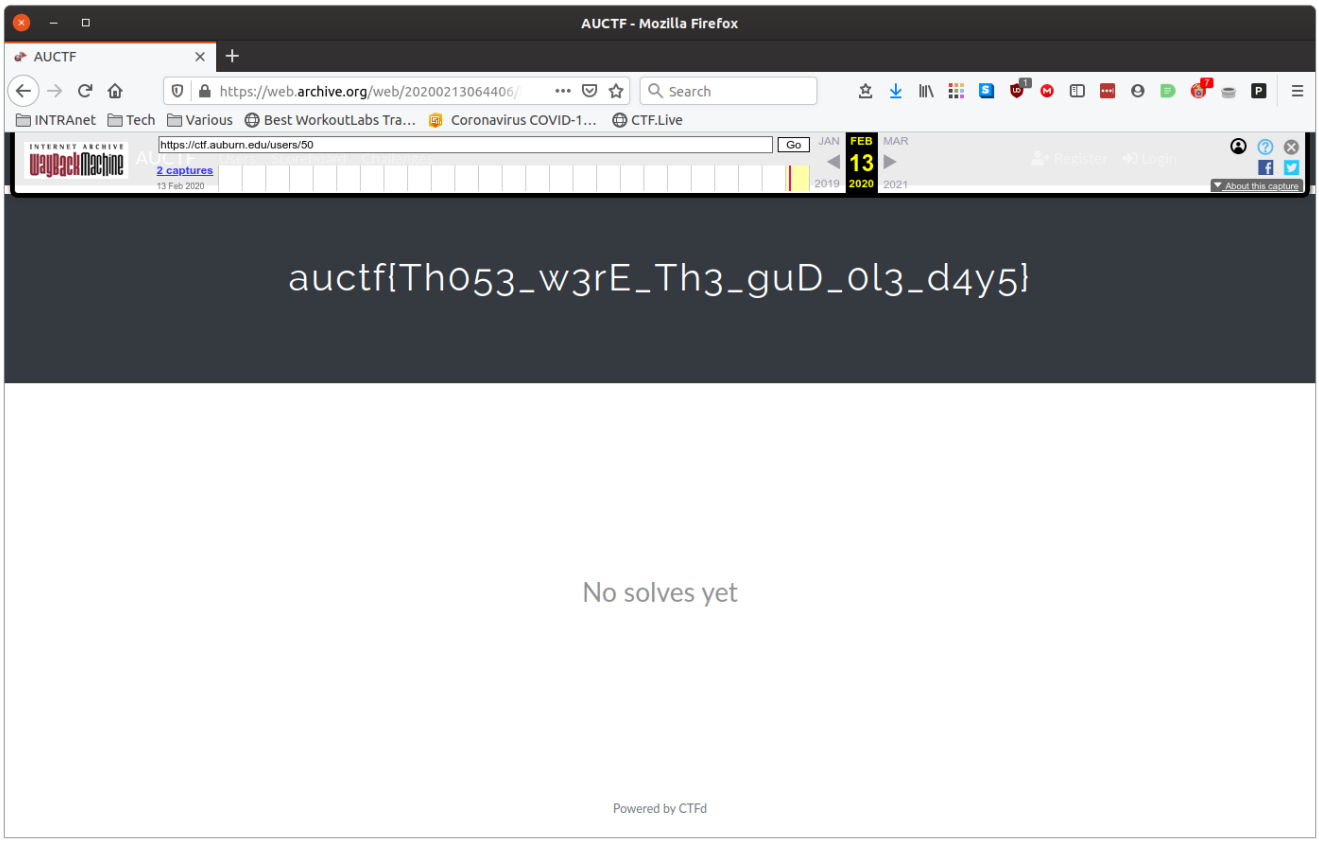
So what do you do if you want to look at how the page looked in the old days? You go to archive.org:



So a version of the page was made on Feb 13th.

Click on the "Site Map" feature and you will find the pages that were archived. One of the was a user page:





Click on that page to reveal the flag:
